Paeonys and Perennials

C. S. Harrison's Select Nursery
YORK, NEBRASKA

Fall of 1905 and Spring of 1906.

We do not sell clumps, but good, strong roots, many of which will bloom the spring after planting.

The modern, fragrant, thoroughbred paeony multiplies rapidly, a vigorous root giving you 1,000 in ten years, combining profit with pleasure.

TERMS: CASH WITH ORDER.

For fuller description, see Paeony Manual giving full directions for planting, cultivating, and propagating paeonys and perennials.

The only complete manual in the English or any other language. Price 30 cents. The Manual, which is a beautiful, finely illustrated work, goes free to all who order \$3.00 and upwards. Read it and you will have a fund of information regarding these flowers which will enable you to add much to the beauty of the home.
